**Antigua's Best Value All-Inclusive Now Called the Jolly Beach Resort & Spa
-- New Palms Wellness Centre Spa Offers Seaside Massages and Treatments --**

Bolans Village, Antigua, W.I. (January 30, 2008) – Jolly Beach Resort, Antigua's best all-inclusive value, will now be called the Jolly Beach Resort & Spa to mark the opening of their first-ever spa -- the new Palms Wellness Centre, Spa, Gym and Beauty Salon.

The Palms Wellness Centre's pampering treatments range from stone therapy and soothing wraps to body scrubs and deep tissue massage. A mélange of herbs and natural ingredients, like coconut oil with its anti-aging properties and clove oil to relieve stress, enhance the restorative benefits of each therapy and massage. Every treatment in this tranquil haven begins with a calming foot ritual symbolizing the end of the day's journey and the beginning of a new start.

Everyone is indulged at the Jolly Beach Resort & Spa Palms Wellness Centre. There are fitness facials and sports massages perfect for the active man and woman, bridal parties can de-stress and get beautiful for the big day, and couples can make the most of their precious time together with a Palms Wellness Massage for two on the beach. Even the kids will enjoy choosing their own favorite ways to rejuvenate from the Palms Pampering for Kids treatment menu.

“There has been a growing demand for spa and beauty services from Jolly Beach guests that we have now been able to meet with an integrated facility,” says P. Hilary Modeste, Director of Marketing Worldwide. “A full salon has been included to address the most pressing needs from our bridal parties, we host over 300 destination weddings a year, and we have relocated our fitness centre so that it is an easily accessible part of the Palms Wellness Centre. The Spa has four treatment rooms and separate changing rooms for gentlemen and ladies. The ladies also enjoy an open-air, stone work shower. Guests who prefer outdoor settings can take their massages on the beach or in our Gazebo overlooking the pool and our mile-long white sand beach.”

All-inclusive rates at Jolly Beach Resort start at \$173.00 per person, per night now through December 20, 2008. Rates based on double occupancy and include accommodations, all meals, snacks and afternoon

tea, house brand beverages, non-motorized watersports, and all taxes and service charges. All rooms are air-conditioned and face the ocean; each has a patio or balcony, direct-dial phone, cable TV and hair-dryer. Spa and beauty salon services are not included in regular all-inclusive rates.
